Data Quality Report Template

The Data Quality Report Template will summarize data quality issues from the selected source, including severity levels and resolution plans. It will aid in systematically identifying and rectifying data discrepancies.

| Data Source | Data Quality Issue | Severity | Resolution Plan |
|-------------|--------------------------------------|----------|---|
| Dataset | Incomplete Responses | High | Alternatively, exclude incomplete responses if the proportion of missing data is minimal. |
| | Inconsistent Data Collection Methods | Medium | Standardize the data by recalibrating measures to a common scale. |
